AN IMMERSION IN HISTORY: ASSESSMENT CRITERIA

1. FOLLOW THE WRITING CONVENTIONS

We can define conventions as **a set of generally accepted standards for written English**. We use conventions to make our writing more readable. In other words, we do things in a certain way so the reader can figure out what we're trying to say. Conventions include *spelling, punctuation, capitalization, grammar, and sentence structure*. Students should:

- Apply spelling rules correctly.
- Use correct punctuation to smoothly guide the reader through the paper.
- Use verb tenses correctly.
- Write sentences that express complete thoughts.
- Demonstrate paragraph organization and use smooth transitions.

2. BE CREATIVE IN YOUR PRESENTATION. It will be a power point although to upload to your Teams folder you will have to convert it into a pdf document.

3. CONTENTS should be extensive. Explain the story with details.

4. DON'T COPY AND PASTE the texts from the Net. Use that material but explain them with your own words.
